

Recycle Right

- You can recycle plastic, glass, metal and cardboard packaging containers from the kitchen, bathroom and laundry, as well as paper from home.
- Please don't put plastic bags in your Auckland Council recycling bin – they get caught in the sorting machines. You can drop these to collection points at local participating retailers.
- Wondering what items can go in the recycling bin?

Just ask Binny!

Your recycling buddy.

Please note:

- Rinse all containers.
- Leave the lids on all bottles and containers.
- Containers should be no larger than 4 litres.
- Include paper, cardboard, milk and juice cartons e.g. Tetra Pak cartons in your recycling bin.

For a full list of what can and can't go in your recycling bin, simply visit **makethemostofwaste.co.nz**
